

# CROSWELL THIS AUTUMN

News | Events | Notices

## Online Bill Payment

The City had been striving to modernize and make our services more convenient for residents. Please try our online bill payment option. [www.cityofcroswell.com](http://www.cityofcroswell.com)

## Public Services

If you need emergency assistance after hours for City Utility Services you may call the following numbers:

Department of Public Works - 810-679-3158 - answering machine will have the after hours contact information

Electric Department - 810-679-2120 - answering machine will have the after hours contact information

An additional fee may be assessed and applied to your utility bill if the department is called out.

Monday thru Friday - 7:00 a.m. - 3:30 p.m. are the regular office hours for these departments.

City Hall is open Monday thru Friday 8:00 a.m. - 4:30 p.m. 810-679-2299

## Winter Parking

Reminder no parking is permitted 3am to 6am on all streets from November 1 thru April 1 for snow removal. Tickets can be issued.

## Citizen update

Over the last year the City Council and all appointed boards have been updating and coordinating the City's goals and objectives over the next 10 to 15 years. All boards and commissions have been meeting in monthly planning sessions to make sure we have a unified vision moving forward. Some of the basic issues covered is enhancement and utilization of our beautiful and under appreciated Black River. Other topics addressed are street and infrastructure upkeep and repair, Parks and Recreation Programming. We hope that this new blueprint will provide a clear path for progress and enhancements of our community for the residents as well as our guest.

## Paperless Billing

City Hall has updated our software package to better serve the community. We now offer paperless billing. If you contact City Hall we can now email your utility bills directly to you. Please call or stop in and we will add you to the enrollment list.

You can always access your account information 24 hrs day at [www.cityofcroswell.com](http://www.cityofcroswell.com)

- Online Payment options
- Easy Account look up
- Track Water and Electric Use

## Leaf Information

The City will pick up leaves just like we have every year. Please try to keep cars clear of large piles of leaves to make the crews work a little easier. Please help us keep storm sewer clear if you are raking leaves to the street please do not block Storm Sewer catch basins.

Please remember to be safe and have a wonderful Fall.

## Seasonal Information

The City will pick up leaves up until the first snowfall.

Please place leaves at the edge of the street and allow room for City vehicles to access the piles.

## Santa Parade/ Fireworks

The Gleaners again this year are sponsoring Santa's arrival to town. Parade will be SATURDAY November 26th not Friday.

Santa could not schedule a visit from the reindeer due to a required safety training the deer need to attend. Santa feels really bad so instead of the deer we will have a wonderful Fireworks display along the Black River. Best viewing will be the Eastside of the river behind Howard Ave Stores.

5pm Downtown Stroll. Free hot cocoa, S'Mores, Jingle Bell Bracelets, Glow in the Dark Necklaces, Popcorn. While supplies last so come early.

6pm Bridge Lighting & Fireworks immediately following the parade at The Swinging Bridge (Maple Street)

Visit Santa at his new location the end of Maple Street in the park.

Children's Bicycle give away, a DJ and a lot more fun things to do.
