

NOTICE TO CROSWELL UTILITY CUSTOMERS

Croswell Utility Customers who incur a water leak, and are seeking a sewer credit, are required to notify the WasteWater Treatment Plant Supervisor immediately by calling both numbers 679-2459 and 810-414-3529. An investigation of the event will be initiated, and the results of this investigation will determine the amount, if any, of sewer credit issued.

Thank You for your cooperation.
